## About Us:

Balaji International was founded in 2019. We are the Manufacturer and Supplier of Different Types STAINLESS STEEL INSTRUMENTS including Surgical, Dental, Orthopedic, Ophthalmic and Veterinary Instruments located in Delhi (India) with all the certifications. Our company has grown with the years from a small unit to world class FDA, & ISO certified manufacturing facilities with a team of skilled engineers & researchers.

We are one of the leading manufacturers of quality surgical equipment for high surgical requirements. Our offering includes surgical, dental that are designed as per the international quality standards & medical parameters. We are serving orthopedic/trauma doctors & hospitals with our more than 1000 products of surgical implants & instruments produced in latest technological machines.
